**DIRECTIONS**

1. Make 2 strip sets in 2 different lengths. Cut 9 segments, each 6½" wide.

2. Place the center segments next to each other on top of a Fabric B strip, right sides together. Do not overlap the edges of the segments. Stitch. Do not cut apart yet. You'll be able to sew 4 segments to each strip. Cut 1 of the Fabric B strips in half and sew the 9th unit to 1 half of the strip.

3. Turn the strip of sewn segments upside down and place the opposite side of the segments on top of another Fabric B strip, right sides together. Stitch. Sew the 9th unit to the other half of the Fabric B strip.

4. Lay the sewn units on the cutting mat. Use a ruler and rotary cutter to cut between the segments, trimming away any excess fabric.

5. Repeat steps 2-4 using the sewn units and Fabric C strips.

6. Repeat steps 2-4 using the sewn units and Fabric D strips. You'll be able to sew only 3 segments to each strip.

7. Arrange the blocks in 3 rows of 3 blocks each. Rotate the blocks so the longest seams alternate from block to block.

8. Join the blocks in horizontal rows. Join the rows.
9. Layer the quilt top with batting and backing; baste. Quilt as desired.
10. Bind the edges and add a label.
